Re: James Wright v. Hartford Financial Services Group, et al.
Civil Action No.: 2:11-CV-00602-SRC-MAS

Dear Judge Hochberg:

I am in receipt of the court's order requesting that I respond to Hartford's Statement of Facts. I am respectfully requesting an adjournment of this order due to the fact that I had wrist surgery and have been out of the office. I will try to have a response to the court by Monday, but in the event that I cannot I would like a week to respond. I have spoken to my adversary and have their consent.

Respectfully submitted,

/s/ Kevin T. Kutyla
